Let's Join the Latest Exercise Craze - PICKLEBALL!

Pickleball is a hybrid of tennis, badminton, and ping pong. It is played on a court roughly a third of the size of a tennis court with a net, a plastic whiffleball, and paddles similar to – but larger than – a ping pong paddle. While the court layout is like the layout of a tennis court, the scoring and rules of the game are slightly different. It is relatively easy to learn how to play and it is both fun and great exercise. If you are interested, please sign the sheet in the lobby.
